PowerSite Designer

One Hundred Services Inc. - Makati

August 2019 to November 2019

Asia People Works is my employer. It's an agency and I was deployed to One Hundred Services Inc. (OHSI) which is a sister company of Directories Philippines Inc.(DPC) as a PowerSite Designer. My role there is the same as my role to my

current work today because it is the same company we are working with (DPC).

- Checks all assigned CSR tickets.
- Logs the details in PowerSites monitoring sheet to monitor the turn-around time to each created and updated PowerSite.
- Saves all materials in Kermit in separate folders per partner.
- Advises the Ad Production Supervisor regarding the requested domain name (if any).
- Creates the PowerSite based on layout guide received, industry standards and best practices: • Encodes text and upload images to the Websplanet platform. - We resized and edit images in Photoshop that will be used in creating Powersite. • Encodes HTML and CSS for PowerSite that needs to be customized. - We customized websites depending on what's the partner wants. (I use HTML5, CSS3 for customization and animations, and sometimes Javascript depending on the request of the partner/client. • Create a Mock-up design.
- Other tasks that are assigned to me. Our company(OHSI) ceased its operation this last 15th of November 2019 and I was absorbed by DPC my current work today as a Web Designer.
